4. PRICE, INVOICE, AND PAYMENT.

a. Seller shall submit invoices for payment in a timely manner and no later than thirty (30) days from the date that the Product was completed and accepted or when Products were delivered. Seller's invoice shall be itemized and identified with Buyer's Purchase Order number, and with specific Purchase Order item numbers. Freight, taxes, similar charges, if authorized by the Purchase Order, shall be itemized separately. Further, Seller shall furnish the Products in accordance with the prices and delivery schedule stated on the face of the AGREEMENT. Prices include all applicable taxes. Sales taxes, if any, are to be identified as to amount and taxing authority as a unique line item on Seller's invoice(s) to Buyer, but must be included in the price.

b. Payment will be made by Buyer against properly submitted invoices in accordance with the terms of payment set forth in the AGREEMENT for all Products received and which meet the requirements of the AGREEMENT. Payment of Seller's invoice shall not constitute acceptance of the Products. All Seller invoices shall be subject to adjustment for errors, shortages, defects, or other failure of Seller to meet the requirements of the AGREEMENT.

c. Unless otherwise stated on the face of the Purchase Order, payment terms are net forty-five (net 45) days after final acceptance by Buyer. In addition to any other rights Buyer has, Buyer may, at its sole option, withhold payment of up to ten percent (10%) of the total value of this AGREEMENT until Seller provides all required objective quality evidence, submits required data items, and satisfactorily fulfills all other reporting and documentation requirements of this AGREEMENT.

d. Release of Financial Liability and Claims. All amounts accrued and made payable by Buyer to Seller under this Purchase Order shall be invoiced in full no later than ninety (90) days from the contractual end date of performance ("The Limitation Period"). Unless otherwise mutually agreed to by the Parties, Seller hereby agrees to release and discharge Buyer, its officers, agents, and employees, successors and assigns of and from all liabilities, obligations, and claims arising out of or under this Purchase Order, where such are submitted after the stated ninety (90) day "Limitation Period".

e. Payment of Invoices by Buyer shall not constitute acceptance of the Products delivered under this AGREEMENT. Invoices shall be subject to appropriate adjustment should Seller fail to meet any of the requirements for this AGREEMENT.

f. Buyer may set off any amount owed by Seller or Seller's affiliates to Buyer against any amount owed Seller by Buyer under this AGREEMENT or any other AGREEMENT between Buyer and Seller, provided Buyer gives Seller prompt written notice of the set off.

g. Seller warrants that the prices charged for the Products ordered hereunder will be as low as the lowest prices charged by Seller to any customers purchasing similar Products in the same or similar quantities and under like circumstances. Upon Buyer's written request, which may be made no more than once per calendar year, Seller shall provide Buyer with a written certification, signed by an authorized officer of Seller, confirming that the prices charged to Buyer remain in compliance with the foregoing warranty as of the date of such certification. Seller shall deliver such certification within thirty (30) days of receipt of Buyer's request. If Seller is unable to so certify, Seller shall promptly notify Buyer in writing, identify the nature and extent of any non-compliance, and adjust Buyer's pricing retroactively to the date on which the non-compliance arose. Seller's failure to provide the requested certification within the specified timeframe shall be deemed a material breach of this AGREEMENT.

h. Buyer may request or require Seller to submit certified cost or pricing data at any time prior to or during performance of this AGREEMENT if Buyer's prime contract or contract with its customer requires such submission. Seller, may, at its option, provide such information directly to Buyer's customer. Further, Buyer's prime contract or contract with its customer under which this AGREEMENT is issued may contain a clause that entitles the United States Government (U.S.G.) or a U.S.G. prime contractor or subcontractor to reduce Buyer's contract price, or any costs reimbursable thereunder, where the U.S.G. determines that such price or cost was increased by any significant sum because Seller or any of its subcontractors furnished defective cost or pricing data to Buyer in connection with the award of this AGREEMENT. Seller shall indemnify, defend, and hold harmless Buyer and Buyer's affiliates, agents, and customers from and against all costs, losses, expenses, damages, claims, suits, or any liability whatsoever (including attorney's fees), arising out of or in connection with or resulting from such determination and action taken by a customer to the extent that such action is taken on the basis that Buyer's contract, or any cost reimbursable thereunder, was increased by any significant amount because Seller or any of its subcontractors furnished defective cost or pricing data to Buyer or Buyer's customer in connection with the award of this Order.

5. PACKING, MARKING, AND SHIPPING.

- a. No charge shall be made by Seller for packaging, storage, or loading unless specified on the face of this AGREEMENT.
- b. Unless otherwise specified, all Products shall be packaged, marked, and otherwise prepared in accordance with the Procurement Specifications, Technical Data Package (TDP), applicable laws and regulations, and good commercial practices. Where applicable to Seller's Product, Seller shall be responsible for procuring a U.S. Department of Transportation EX Number assigned to Seller by the U.S. Department of Transportation.
- c. To the extent it may be lawful to do so, Seller shall use commercially reasonable efforts to obtain fair and reasonable shipping rates.
- d. Seller shall mark containers or packages with necessary handling, and loading instructions, shipping information, Buyer's Purchase Order number, item and shipment date, names and addresses of Seller and Buyer, and any other information as may be required in the Purchase Order. An itemized packing list shall accompany each shipment. Bills of Lading shall include Buyer's Purchase Order number. In the event there is no Bill of Lading, Buyer's count and receiving documents shall be accepted by Seller as final and conclusive as to Products received.
- e. Failure by Seller to provide any required samples or documentation prior to or with the shipment of Products as stated in this AGREEMENT or in the referenced Quality Assurance Provisions, if any, may result in the assessment by Buyer of a penalty for each occurrence. Buyer shall have the right to set off any such penalty against any amount owed Seller by Buyer under this AGREEMENT or any other agreements between the Parties.

6. DELIVERY, INSPECTIONS, AND TITLE.

- a. Strict adherence to Buyer's stated delivery schedule is a material condition of any Order. In accordance with the requirements of the Order, Seller shall deliver products in the quantities and on the date(s) specified in Orders(s) as applicable, or as otherwise agreed in writing by the Parties. Delivery is not complete until Products have been actually received and accepted by Buyer. Except for delays caused by Buyer or a Force Majeure event, TIME IS OF THE ESSENCE WITH RESPECT TO DELIVERY OF PRODUCTS. Buyer is relying upon the delivery of Products at the time and place specified in the Purchase Order to meet Buyer's obligations under its agreements with others. Seller understands that delays in delivery of conforming Products may materially contribute to or directly cause delay in Buyer's ability to meet such obligations. Subject to Article 21, Force Majeure, Buyer may charge Seller for Buyer's commercially reasonable transportation costs if necessary to meet Buyer's contract delivery schedule(s).
- b. Unless otherwise stated on the face of the Purchase Order, all Products delivered under this AGREEMENT shall be shipped FOB Destination, and Seller shall prepay all transportation charges.
- c. Seller assumes all risk of loss until Products are delivered in full to the locations specified in this AGREEMENT. Title to the Product shall pass to Buyer upon arrival of such Product at the delivery locations specified herein, subject to acceptance per Article 23, Inspection and Acceptance; Nonconforming Products below. Further, unless pre-approved in writing by Buyer, Buyer shall not be liable for any material commitments or production arrangements made by Seller in excess of the amount of, or in advance of the time reasonably required to meet the due date(s).
- d. Buyer may return, or store at Seller's expense, any Products delivered in advance of the delivery date specified for such Products unless early delivery is authorized in writing by Buyer.
- e. Buyer reserves the right to reject or return, at Seller's expense, any materials that Buyer, at its sole discretion, determines to be materially non-conforming to specifications or drawings set forth in the Purchase Order, or possess any other quality deficiency.
- f. Buyer shall have no obligation to accept over-shipments. In the event of an over shipment, Buyer may, at its options: (i) retain Products shipped in excess of the quantities stated in this AGREEMENT, at the price set forth in this AGREEMENT, (ii) return such items to Seller at Seller's expense, or (iii) place into storage the excess quantities of Products at Seller's risk and expense.
- g. Seller agrees to immediately notify Buyer of any delays in meeting the required delivery schedule and the reasons for the delay. If Buyer approves a revised delivery date, Seller shall pay any additional transportation charges and Seller shall extend to Buyer an equitable reduction in the AGREEMENT price. In addition to any other remedies provided by this AGREEMENT, Buyer shall automatically deduct an amount of one and one-half percent (1.5%) of the invoice amount for each occurrence of any delivery made after the scheduled delivery date, without requirement of prior notice to Seller. Such deduction shall be applied at the time of payment of the applicable invoice. Buyer may, in its sole discretion and by express written notice to Seller, elect to waive any such deduction on a case-by-case basis, but no such waiver shall apply to any subsequent late delivery or constitute a waiver of any other rights of Buyer under this AGREEMENT. Acceptance of late deliveries does not constitute a waiver of any rights by Buyer.
- h. Buyer may, for convenience, extend any part of, or the entire, delivery schedule as listed on this AGREEMENT by as much as eight weeks, at no additional cost to Buyer, by notifying Seller in writing a minimum of two (2) weeks prior to the scheduled

date to be moved out. Seller shall ensure that the shipment takes place so that the scheduled quantity arrives at Buyer's facility on, or no more than, ten (10) days prior to the new due date.

i. In addition to the rights of Buyer under Article 6(h), Buyer may, at any time, by written change order delay or suspend performance of this AGREEMENT, in whole or in part, without liability hereunder, and Seller shall proceed diligently with the performance of this AGREEMENT as so changed. If any such change causes an increase or decrease in the cost of or the time required for performance of this AGREEMENT, subject to Article 21 and subject to Seller making a proper and timely request, Buyer shall make an equitable adjustment in the AGREEMENT price or delivery dates or both, and this AGREEMENT shall be modified in writing accordingly. Any equitable adjustment for suspension or interruption of, or delay in, Seller's performance shall exclude profit. If Seller deems any instruction or direction by or on behalf of Buyer to be a change to this Purchase Order, Seller must so notify Buyer in writing within seven (7) days of the receipt of such instruction or direction. Any claim by Seller for adjustment under this clause may, at Buyer's option, be deemed to be absolutely and unconditionally waived unless asserted in writing (including the amount of the claim) and delivered to Buyer within twenty (20) days from the date of receipt by Seller of the change order or direction, except where an extension is granted in writing by Buyer. Buyer's engineering and technical personnel are not authorized to change the Products ordered or any other provision of this AGREEMENT. No change order or other modification will be binding on Buyer unless issued in writing by Buyer's Supply Chain Representative.

j. All Products, including raw materials, components, intermediate assemblies, tools, equipment, Services and end Products, may be inspected and tested by Buyer, its customers and contractors at all reasonable times and places. If the AGREEMENT specifies that any inspection or testing is to be made on Seller's premises, Seller shall provide without additional charge, all reasonable access, facilities and assistance for such inspections and test. In its internal inspection and testing of the Products, Seller shall provide and maintain an inspection system acceptable to Buyer and Buyer's customers covering the product hereunder. All inspection records relating to the Products shall be available to Buyer and Buyer's customer during the performance of this AGREEMENT. Unless specified elsewhere, Seller shall maintain, for a period of seven (7) years after the completion of the last delivery or acceptance of the last lot, whichever is longer, quality and inspection records, purchase order files for supplies, equipment, material, or services including supporting documentation, invoices and supporting memoranda.

k. No inspection (including source inspection), tests, approval (including design approval) or acceptance of the Products shall relieve Seller from responsibility for any defects in the Products or other failures to meet the requirements of this AGREEMENT, or for latent defects, fraud, such gross mistakes as amount to fraud, and Seller's warranty obligations. Buyer's failure to inspect, accept or reject Products or failure to detect any nonconformity by inspection shall not relieve Seller from its obligations or any liability, nor impose liabilities on Buyer, its agents or customers.

l. Seller shall furnish sufficient labor and management personnel, plant, and equipment and any other resources required in performance of this AGREEMENT and shall work such hours as may be required to ensure compliance with the due date(s) as set forth herein at no change in the AGREEMENT price.

m. If Seller fails to deliver in accordance with the schedule, Buyer will be entitled, at its election and its sole discretion, to (i) a price reduction for late deliveries, (ii) fill the order, or any portion thereof, by obtaining replacement Products from sources other than Seller and to reduce Seller's AGREEMENT quantities or other deliverables accordingly at no increase in unit price, and without penalty to Buyer; and/or (iii) terminate this AGREEMENT for default for late deliveries. Any expenses, costs or damages (including refund of monies paid by Buyer in advance of delivery) incurred by Buyer as a result of such default or any other non-compliance with the terms of this AGREEMENT may, at the discretion of Buyer, and in addition to any other remedies at law or in equity, be offset against any sum owing under this or any other AGREEMENT between Buyer and Seller, or charged back to Seller. Further, Seller shall be liable and hold Buyer harmless from any loss, damage, or expense that Buyer may suffer related to nonconforming Products, including Services, or from any other breach of the warranties in Article 7, including, but not limited to, return to Seller of defective or nonconforming Products and redelivery to Buyer of repaired, replaced, or corrected Products, if required by Buyer.

n. In the event of any anticipated or actual delay in the performance of this AGREEMENT, Seller shall immediately notify Buyer in writing of the reasons for the delay and the actions being taken to overcome or minimize the delay along with a proposed written recovery schedule. If Buyer requests, Seller shall, at Seller's expense, ship via air or other expedited routing to avoid or minimize any delay. Seller shall also immediately notify Buyer in writing of any events that may affect this AGREEMENT performance, such as bankruptcy proceedings, strikes, accidents, etc. Seller agrees to flow this clause down to its suppliers and subcontractors, and promptly notify Buyer in writing when such events exist and/or anticipated or actual delays with its suppliers or subcontractors that may affect performance under the Purchase Order. Notification shall not relieve Seller of its obligation to comply with this AGREEMENT's delivery requirements including due date(s).

o. Upon completion or termination of this AGREEMENT and as directed by Buyer, any excess Products, or parts thereof, shall be delivered free of charge to Buyer at the designated delivery point at Seller's risk and expense or destroyed and the destruction certified by Seller. Seller shall not sell, or otherwise dispose of as scrap or otherwise, any completed or partially completed or defective Products without defacing or rendering such Products unsuitable for use.

p. Seller agrees and acknowledges that all Products, or portions thereof under this AGREEMENT, may be incorporated into deliverables under the next higher tier or prime contract, for example. Seller hereby grants Buyer the right to deliver all Products, or any portion thereof, under the next higher tier or prime contract. Seller further hereby agrees to deliver all Products under this AGREEMENT with the appropriate markings required by the Government regulations incorporated into the AGREEMENT.

q. Seller shall provide to Buyer written periodic status reports of Seller's activities and projects in sufficient detail to evidence the nature and scope of the Products (including the Services), and shall provide related work records, meeting reports and similar documents, all as reasonably requested by Buyer. In addition, Seller shall promptly meet (in person or by telephone) with Buyer, as requested by Buyer, to discuss any matters pertaining to this AGREEMENT or Seller's performance hereunder.

7. WARRANTY-QUALITY.

a. In addition to any other warranties provided at law, express or implied, and without limiting any other warranties that may appear in this AGREEMENT, Seller expressly warrants that all Products shall be manufactured, provided and transported in full and complete conformity and in compliance with all the requirements of this AGREEMENT, specifications, drawings, designs, samples and other descriptions or requirements as Buyer may furnish or specify. Seller further represents and warrants that, as of the date of delivery, the Products do not and will not infringe, misappropriate, or otherwise violate any patent, trade secret, trademark, copyright, or other intellectual property right of any third party. Seller expressly guarantees and warrants all Products furnished by it or any of its subcontractors or suppliers at any tier shall be (i) merchantable; (ii) fit and sufficient for the purposes intended; and (iii) free from all deficiencies in materials, workmanship and design, whether or not Seller has supplied the design for the Products (including Services) sold hereunder. The warranty period shall commence upon Buyer's acceptance, use or operation of the Products, whichever is later, and continue for a period of eighteen (18) months thereafter; provided, however, that (i) the warranty period shall be tolled and suspended during any period in which Seller is performing inspections, repairs, corrections, or replacements of defective or nonconforming Products, and shall resume upon Buyer's acceptance of the corrected or replacement Products, with the full remaining warranty period continuing to run from such acceptance and (ii) if any warranty clause is incorporated by reference as a U.S. Government flow down requirement into this AGREEMENT, such warranty provisions are in addition to the provisions in this clause to the extent to which they are consistent. To the extent the provisions of the U.S. Government flow down requirement are inconsistent with this clause, the provisions of any warranty incorporated as a U.S. Government flow down requirement shall prevail.

b. All warranties of Seller or Seller's subcontractors or suppliers at any tier shall flow to Buyer and Buyer's customer(s). Should Seller or Seller's subcontractor's or supplier's warranty run for a longer period, Seller shall extend such longer warranty period to Buyer.

c. All Seller inspections, service, repairs, or corrective work resulting from Seller-furnished defective or nonconforming Products or the replacement thereof shall be performed promptly and at the convenience of Buyer.

d. This warranty shall survive inspection, test, acceptance, and payment.

e. Buyer may, at its option: (i) return for full refund or credit; (ii) require prompt correction or replacement of defective or nonconforming Products; or (iii) replace the non-conforming Products with similar Products from another source and charge the costs occasioned to Buyer thereby to Seller. Correction or replacement shall be made at Seller's expense and no correction or replacements of defective or nonconforming Products shall be made unless approved by Buyer. Products required to be corrected or replaced shall be subject to this warranty and a new warranty period and to Article 6, Delivery and Title, above, to the same extent as Products originally delivered under this AGREEMENT.

f. Seller warrants all Products sold hereunder shall be free of any claim of any nature by any third person or entity, and that Seller shall convey clear and marketable title to Buyer. Seller shall furnish, upon Buyer's request, waivers by Seller and all other persons entitled to assert any lien rights in connection with the performance of this AGREEMENT.

g. Counterfeit Products: In addition to all other warranties provided under this Purchase Order, Seller warrants that the Products delivered hereunder are new and not refurbished or used, are being supplied by the original equipment manufacturer (OEM) or its expressly authorized agent or distributor, and Seller has documented traceability of the Products or components to the OEM. Buyer may return the Products at any time if they are not genuine, new, and unused items, or they are found to not meet all OEM specifications and requirements as well as all the requirements defined on this Purchase Order. Seller must provide the following with shipment of the items upon request of Buyer:

- (1) Certificate of Conformance (C of C), certifying the items are genuine and meet all Purchase Order and original manufacturer requirements.

Any Products for which the above requirements are not met shall be considered defective under this Purchase Order and may be rejected by Buyer or returned for full credit. Seller shall be liable to Buyer for any damages, costs, penalties, judgments, or fines against Buyer to the extent caused by Seller's failure to meet all requirements of this section and, at Buyer's election, Seller may also be required to deliver suitable replacement Products traceable to the OEM, meeting all OEM specifications. Seller shall include the substance of this clause in all of its sub-tier contracts with its suppliers/subcontractors providing components in support of this Purchase Order.

h. With respect to Products determined not to be as warrantied, Seller shall bear the costs, if any, of inspection, disassembly, reassembly, retesting and any other similar costs incurred in connection with, or as a consequence of, correction, repair or replacement of Seller's Products, including any such costs associated with assemblies into which Products have been incorporated. Any Products corrected or furnished in replacement shall, from the date of delivery of such corrected or replacement Products, be subject to the provisions of this Article for the same period and to the same extent as Products initially furnished pursuant to this Purchase Order.

8. SUBCONTRACTS.

If Seller is performing construction work, including any improvement to Buyer's real property or installation of fixtures or equipment into Buyer's real property, (whether or not the AGREEMENT includes Buyer's Construction Services Addendum) and Seller subcontracts any portion of such work at any tier, Seller shall be solely responsible for the payment of its subcontractors and lower-tier subcontractors and for preventing any lien, claim of lien, stop notice, or similar encumbrance from attaching to Buyer's real property or Buyer's interest therein. If Buyer receives notice of, or if any subcontractor or lower-tier subcontractor asserts or files, any such lien, claim, stop notice, or encumbrance arising out of Seller's work, Seller shall, after written notice from Buyer, promptly take all actions necessary to discharge, release, remove, or bond around such lien, claim, stop notice, or encumbrance in a manner satisfactory to Buyer and at Seller's sole cost and expense. If Seller fails to do so, Buyer may, but is not obligated to, discharge, release, remove, or bond around the same, and all costs and expenses incurred by Buyer, including attorneys' fees, shall be reimbursed by Seller or may be offset against any amounts otherwise due to Seller. For Sellers delivering Products or performing Services outside of the United States, unless specifically authorized in writing by Buyer, Seller shall not contact, either directly or indirectly, public officials of any country in furtherance of its performance on behalf of Buyer under this Order.

j. Seller shall be responsible for all licenses, permits, registrations, approvals, exemptions, and other governmental authorizations necessary for Seller to perform and deliver Products under this AGREEMENT, unless the AGREEMENT expressly states otherwise. If Buyer is required, or elects, to procure, apply for, obtain, maintain, renew, or amend, on behalf of Seller, any Department of State, Department of Transportation, or other applicable governmental license, permit, registration, approval, exemption, or other authorization necessary to enable Seller to perform or deliver Products under this AGREEMENT, including but not limited to any Manufacturing License Agreements (MLAs), Application/License for Permanent Export of Unclassified Defense Articles and Related Unclassified Technical Data (DSP-5 licenses), DOT or PHMSA explosives classification approvals, or any amendment(s) thereto, Buyer may either invoice Seller for Buyer's reasonable costs incurred in connection with such action, including reasonable internal administrative time and reasonable external costs, or reduce the contract price otherwise payable to Seller under this AGREEMENT by the amount of such reasonable costs. Any invoice issued by Buyer under this Section shall be paid by Seller in full within thirty (30) calendar days after receipt. Buyer's actions under this Section shall not shift to Buyer any obligation of Seller under this AGREEMENT or under applicable law.

k. Genetic Information Compliance. To the extent applicable to Seller's performance of this AGREEMENT, Seller shall comply with all applicable laws relating to genetic information, including, where applicable, the Illinois Genetic Information Privacy Act and the federal Genetic Information Nondiscrimination Act. Without limiting the foregoing, Seller shall not, directly or indirectly, solicit, request, require, purchase, obtain, or seek "genetic information," including family medical history, from any applicant for employment with Buyer or any current or former employee of Buyer in connection with Seller's performance of this AGREEMENT, including in connection with any drug test, physical examination, fitness-for-duty examination, medical questionnaire, return-to-work process, or similar inquiry or evaluation. Seller shall ensure that its employees, agents, subcontractors, medical providers, testing vendors, and other representatives involved in the performance of this AGREEMENT are appropriately trained and instructed regarding these restrictions and shall implement procedures reasonably designed to prevent any improper request for or collection of genetic information relating to Buyer personnel.

10. INDEMNIFICATION AND LIMITATION OF LIABILITY.

a. Seller shall defend, indemnify, and hold harmless Buyer and Buyer's affiliates, agents, and customers from any and all damages, liabilities, claims, losses, suits, legal actions, investigations, or any threat of the same, and any costs incurred in connection therewith, including but not limited to, attorney fees and litigation expenses, arising out of or related to Seller's performance of this AGREEMENT or any breach by Seller of this AGREEMENT, including Seller's representations and warranties contained herein, or which may result in any way from any accident, injury, libel, or property damage, including but not limited to response or remedial action costs associated with damage to the environment or to natural resources, by reason of any act or omission by Seller, its agents, employees, or subcontractors/suppliers, except to the extent that the accident, injury, libel, or property damage is due solely and directly to Buyer's negligence. Buyer may, at its sole option: (i) tender such claim to Seller to defend using legal counsel acceptable to Buyer; or (ii) defend such claim by legal counsel of Buyer's choosing and Seller shall reimburse Buyer for all costs of such defense as they are incurred. In either case Seller shall indemnify and hold Buyer harmless from and against all damages arising out of or relating to such claim. If Buyer tenders the defense of a claim to Seller and Seller accepts such defense, then Seller shall be conclusively deemed to have agreed that such claim is subject to indemnification hereunder, and that Seller has no claim or counterclaim against Buyer, all of which Seller shall be deemed to have waived. If Seller assumes the defense of a claim and thereafter fails to vigorously defend such claim, Buyer shall have the right, at its option, to assume the defense of such claim and Seller shall remain obligated to indemnify Buyer hereunder. If Seller assumes the defense of a claim, Seller shall not settle or compromise such claim without Buyer's prior written consent. Seller shall at all times maintain such liability, property damage, and employee liability insurance in a sufficient amount that will protect Buyer from any or all of the foregoing risks, and upon Buyer's request shall supply certificates of insurance. The indemnification obligations of Seller set forth in this Article 10(a) shall survive the expiration, termination, or cancellation of this AGREEMENT for any reason and shall remain in full force and effect regardless of the cause of termination and without limitation as to time, except as otherwise expressly limited by applicable law.

b. Seller's indemnification obligations under this Article 10 shall not be limited in any way by: any statutory immunity or other limitation on the amount or type of damages, compensation or benefits payable by or for Seller or any sub-vendor under Workers' Compensation acts, disability benefit acts or other employee benefit acts.

c. An Indemnified Party shall have the right to select counsel and control any claims, actions or litigation arising hereunder.

d. Notwithstanding any other provisions of this AGREEMENT, under no circumstances shall Buyer be liable or held responsible for consequential, punitive, incidental, special, or indirect loss or damage including whether such loss or damage arises from contract, negligence, recklessness, strict liability, or otherwise. In no event, however, shall any liability of Buyer exceed the price allocable to the Product that initially gives rise to the claim. The foregoing shall constitute the sole and exclusive remedy of Seller, and the sole and exclusive liability of Buyer. Seller hereby waives, releases, and renounces all other rights, claims, and remedies against Buyer. Finally, any action resulting from any breach on the part of Buyer as to the Products delivered hereunder must be commenced within one (1) year after the cause of action has accrued; otherwise, such actions are expressly waived and this Article 10, like the other Articles, is a material part of the agreement between the Parties.

e. In addition to any other remedies provided under this Purchase Order or by law, if Seller or its officers, employees, agents, suppliers, or subcontractors at any tier fails to comply with any applicable laws, orders, rules, regulations, and ordinances of government entities and, as a result Buyer's contract price or fee is reduced, Buyer's costs are determined to be unallowable, Buyer incurs any fines, penalties or interest costs, or Buyer incurs any other costs, losses, or damages, then Buyer may reduce the price, or the recoverable costs and fee, of this Purchase Order or of any other contract with Seller by a corresponding amount or amounts, or may demand payment of such amounts, or both, and Seller shall promptly pay any such amount demanded.

11. INTELLECTUAL PROPERTY INDEMNIFICATION. Seller shall defend, indemnify, and hold harmless Buyer and Buyer's, affiliates, agents, and customers from any and all damages and expenses including reasonable counsel fees, liabilities, claims, losses, suits, legal actions, investigations, or any threat of the same, that the manufacture or furnishing of Products under this AGREEMENT, or the sale or use of such Products constitutes an infringement of any patent, trade secret, trademark, service mark, copyright, or related application, or other intellectual property or proprietary information infringement. If any Product is enjoined in any manner due to such infringement, Seller shall, at its own expense and at its option, either: (i) procure for Buyer and its customers the right to continue using said Products; (ii) replace the infringing item with a non-infringing equivalent; (iii) modify the item so that it becomes non-infringing; or (iv) upon showing an inability to do any of the foregoing, remove the Product and refund the purchase price and any related transportation and installation costs. Seller shall at all times maintain such intellectual property insurance in a sufficient amount that will protect Buyer from any or all of the foregoing risks, and upon Buyer's request shall supply certificates of insurance. If any Product is so enjoined, Seller agrees to be liable and to reimburse Buyer for any costs incurred by Buyer caused by such infringement, including for any delays, and to indemnify and hold harmless Buyer for any claims made against it by Buyer's customer caused by such infringement, including for any delays.

12. ASSIGNMENT. Seller shall not assign this AGREEMENT or any rights hereunder, or any monies due or to become due hereunder, without the prior written consent of Buyer, and no purported assignment by Seller shall be binding on Buyer without Buyer's prior express written consent. This AGREEMENT shall be binding upon and shall inure to the benefit of the Parties and their permitted successors and assigns.

13. CHANGES.

a. Buyer may unilaterally, and at any time by providing written notice, stop work, in whole, or in part, or make other changes in Seller's Products to be provided under this AGREEMENT. Such changes include, but are not limited to, changes to: (i) quantities; (ii) drawings, designs, statement(s) of work, specifications or other technical documents; (iii) packing, method of shipment, or time or place of inspection, delivery or acceptance; (iv) the amount of property furnished by Buyer or Buyer's customer or reasonable adjustments in quantities and/or delivery schedules (v) place of performance of the Service; or (vi) terms and conditions required to meet Buyer's obligations under its prime contracts, including, but not limited to, any mandatory flow-down clauses. Seller shall proceed immediately to perform this AGREEMENT as changed.

b. Subject to Article 21 (Force Majeure), below, if such changes cause an increase or decrease in the cost of performance of this AGREEMENT, the Parties shall promptly negotiate in good faith an equitable adjustment, and the AGREEMENT shall be modified in writing accordingly. Except where an extension is granted in writing by Buyer, any claim for adjustment under this Article 13 shall be deemed to be absolutely and unconditionally waived unless asserted in writing within twenty (20) days from the date of receipt by Seller of the change. Seller shall submit to Buyer in writing any claim for an adjustment under this Article 13 as soon as is reasonably possible, along with a specification of the amount claimed with supporting cost figures. Such specification shall be accompanied by a signed statement from Seller that the claim is made in good faith. Buyer shall have the right to review any analyses performed in determining the amount of such claim and meet to discuss the analyses with any of Buyer's personnel that participated in conducting the analyses, including permitting Buyer, its Authorized Representatives, and its customer the right to examine any of Seller's pertinent books and records for the purpose of verifying Seller's claim. At Seller's request, in lieu of Buyer, a mutually agreeable third party can (at Seller's expense) examine books and records to verify Seller's claim.

c. Seller may not make any changes to this AGREEMENT without Buyer's express written consent. Buyer's engineering and technical personnel are not authorized to change the Products ordered under this AGREEMENT or any other provision of this AGREEMENT. No Change Order will be binding on Buyer unless issued by Buyer's Supply Chain Representative in writing. This AGREEMENT is Buyer's offer to Seller to purchase the Products described in this offer. Any additional terms proposed in Seller's acceptance of Buyer's offer including, but not limited to, shrink-wrapped or click-through terms not specifically negotiated and expressly made a part of the Purchase Order, which add to, vary from, or conflict with the terms herein are hereby objected to by Buyer and are void. All communication between Seller and Buyer affecting the work and Products to be furnished hereunder shall be through the Supply Chain Representative. Buyer's technical personnel may provide written technical direction, however, technical or management direction shall not impose tasks and requirements upon Seller that are additional to or different from the general tasks and requirements established in the AGREEMENT. For the technical direction, to be valid: (i) such direction must be issued in writing consistent with the general scope as set forth in this AGREEMENT; and (ii) such direction shall not commit Buyer to any adjustment of the price, schedule or other AGREEMENT provisions.

d. If any technical direction is interpreted by Seller to fall within Article 13, Changes, Seller shall not implement such direction, but shall notify Buyer's Supply Chain Representative in writing of such interpretation within ten (10) business days after Seller's receipt of such direction. Such notice shall: (i) include the reason upon which Seller bases its belief that the technical direction falls within the purview of the Changes Article; and (ii) include Seller's best estimate as to revision in estimated price, performance time, delivery schedules, and any other issues that would result from implementing the technical direction.

e. If, after reviewing the information, Buyer is of the opinion such direction is within the purview of this Changes Article and considers such changes desirable, Buyer will issue unilateral direction to proceed pursuant to the authority granted Buyer herein.

f. In the event Buyer determines it is necessary to avoid a delay in performance of the AGREEMENT while Buyer is reviewing the information submitted by Seller hereunder, Buyer may, in writing, direct Seller to proceed with the implementation of the technical direction pending review of such information. Should Buyer later determine the change direction is appropriate, the written direction issued hereunder shall constitute the required change direction under the Changes Article.

g. Failure of Seller and Buyer to agree on whether direction is technical direction or a change within the purview of the Changes Article shall be a dispute under Article 17, Disputes/Claims. Any action taken by Seller in response to any direction that falls within the purview of the Changes Article, or that Seller claims to fall within the purview of the Changes Article, given by any person other than the Supply Chain Representative shall be at Seller's own risk.

h. Further, Seller shall provide written notification to Buyer prior to making any changes to Seller's tooling, facilities, materials, or processes, and/or shall provide written notification to Buyer upon becoming aware of any such changes by Seller's subcontractors at any tier, that could affect the work to provide Products under in this AGREEMENT. This requirement includes changes to fabrication, assembly, handling, inspection, acceptance, testing, manufacturing location, parts, materials, or suppliers.

Seller shall notify Buyer of any pending or contemplated future action to discontinue or delay work under this AGREEMENT and shall allow Buyer to submit a forecast of expected annual usage prior to Seller finalizing its decision to discontinue the work or the Products. Seller shall provide Buyer with a "Last Time Buy Notice" at least twelve (12) months prior to the actual discontinuance of any products, for example. Seller shall extend opportunities to Buyer to place last time buys of Products with deliveries not to exceed one hundred eighty (180) days after the last time buy date. Seller shall flow down to subcontractor(s)/supplier(s) the requirements of this clause and all other applicable flow down provisions.

i. Nothing in this Article 13, including any disagreement with Buyer as to the equitable adjustment to be made, shall excuse Seller from proceeding with performance of this AGREEMENT as changed.

j. No changes in process or qualified design, or substitutions of materials or accessories, may be made without Buyer's prior written consent. No charges for extras will be allowed unless Buyer has agreed to such extras in writing and the price agreed upon.

k. If, after acceptance of the AGREEMENT or at any time during the performance of this AGREEMENT, Seller believes any portion of this AGREEMENT is inaccurate, inconsistent or incomplete, Seller shall promptly notify Buyer in writing identifying any discrepancies and requesting resolution before proceeding or continuing with the portion of this AGREEMENT in question. In the event that Seller fails to contact Buyer in a timely manner to resolve said discrepancies or inconsistencies and Seller proceeds with or continues any work in question, Seller shall on its own accord and shall be solely responsible for any errors or omissions, including all associated cost schedule impacts or both resulting therefrom.

14. TERMINATION.

For Convenience

a. Buyer may terminate this Order in whole, or in part, at any time for any cause and will reimburse Seller for Seller's reasonable, substantiated, and necessary costs already incurred directly in the performance of this Order prior to the notice of termination, plus a reasonable profit thereon. Buyer shall not be liable for loss of anticipated profits on the Order, or the part thereof, so canceled.

b. All Products and plans completed by Seller prior to the date of termination shall, upon payment by Buyer, become the property of Buyer.

c. In no event shall Buyer's obligations to Seller, as a consequence of termination under this Article, exceed the costs and reasonable profit described in 14(a), and upon payment thereof, Buyer shall have no further obligation to Seller hereunder or otherwise.

d. If the Order references a fixed-price government prime contract, Buyer may at any time terminate all or any part of this Order in accordance with the contract clause entitled "Termination for Convenience of the Government (Fixed-Price)" set forth at 52.249-2 of the FAR, which clause is hereby incorporated herein and made a part hereof by this reference, except that the term "contract" therein shall mean this Purchase Order, the term "Contracting Officer" therein shall mean "Buyer," the term "Government" therein shall mean "Buyer" except that in subparagraph (b) (8) and at the first occurrence thereof in paragraph (h) it shall mean "Buyer or the Government," and in paragraph (n) it shall mean "Buyer and the Government," the term "Contractor" therein shall mean "Seller," paragraphs (d) and (j) thereof are deleted, the period "120 days" in paragraph (c) is changed to "60 days," the period "1 year" in paragraph (e) is changed to "3 months," and the period "90 days" in paragraph (l) is changed to "45 days"; provided, however, that if this Order is a first-tier subcontract under a U.S. Government prime contract, the period "1 year" in paragraph (e) is changed to "180 days."

For Cause

e. If Seller materially breaches any provision of this AGREEMENT or in the event of any proceeding by or against Seller in bankruptcy or insolvency or for appointment of a receiver or trustee or an assignment for the benefit of creditors, Buyer may, in addition to any other right or remedy provided by this Order or by law, terminate all or any part of this Order without any liability by Buyer to Seller on account thereof.

f. In the event Buyer terminates this Order for cause, in whole or in part, as provided in this Article 14, Buyer may purchase from others, upon such terms and in such manner as Buyer may deem appropriate, similar Products to those so terminated and Seller shall be liable to Buyer for any excess costs incurred by Buyer thereby. Further, if Buyer requests, Seller agrees to assist Buyer in the purchase of Products similar to those terminated due to Seller's default by, among other things, cooperating in the transfer to Buyer of information and/or Work-in-process and equipment or materials which may have been purchased by Seller specifically for Buyer's Order.

g. If Buyer has requested and received the cooperative transfer of Products as set forth above, Buyer will credit the value of such Products against Buyer's excess cost of re-purchase and if such credit exceeds Buyer's excess costs Buyer shall promptly pay Seller such difference.

15. NO WAIVER, SEVERABILITY. The failure of Buyer to insist upon the performance of any provision of this AGREEMENT, or to exercise any right or privilege granted to Buyer under this AGREEMENT, shall not be construed as waiving such provision or

any other provision of this AGREEMENT, and the same shall continue in full force and effect. If any provision of this AGREEMENT is adjudged by a court to be invalid, void, or unenforceable, the Parties agree that the remaining provisions of this AGREEMENT shall not be affected thereby, that the provision in question may be replaced by the lawful provision that most nearly embodies the original intention of the Parties, and that this AGREEMENT shall in any event otherwise remain valid and enforceable.

16. GOVERNING LAW, JURISDICTION, AND VENUE.

a. The UN Convention of Contracts for the International Sale of Goods (CISG) shall **not** govern the rights and obligations of the Parties under this AGREEMENT. This Order shall be governed by, construed, and interpreted according to the laws of the State of Delaware, without regard to its conflict-of-interest rules. The Parties agree that disputes shall be governed in accordance with Article 17, or as is necessary to enforce an arbitration award or obtain provisional, equitable, or injunctive relief, the Parties irrevocably submit to the exclusive jurisdiction and venue of the state and federal courts located in Delaware. To the maximum extent permitted by law, the Parties waive any right to a jury trial. Both Parties waive any objection to this Article.

b. If Seller is performing construction work, including any improvement to Buyer's real property or installation of fixtures or equipment into Buyer's real property, (whether or not the AGREEMENT includes Buyer's Construction Services Addendum), then, to the fullest extent permitted by the laws in effect on the date of execution of this AGREEMENT in the state or other jurisdiction where the Project is located, Seller agrees that the terms of this AGREEMENT shall govern and control over any contrary or inconsistent provision of any construction statute, rule, or ordinance that would otherwise apply to the work. To the fullest extent such rights, remedies, procedures, protections, or requirements may be waived, modified, or varied by agreement, Seller knowingly and voluntarily waives, releases, and agrees not to assert any contrary or inconsistent right, remedy, procedure, protection, or requirement arising under such construction statutes in derogation of the terms of this AGREEMENT. Nothing in this Section shall be construed to waive, modify, or limit any requirement of applicable law that cannot lawfully be waived or varied by agreement, and any such non-waivable requirement shall apply only to the minimum extent required by law.

17. DISPUTES/CLAIMS.

a. Resolution of Disputes. Any dispute between Buyer and Seller shall first be referred to the respective representatives for each Party by Written Notice. The Parties, through their representatives and/or senior management shall confer in good faith to attempt to resolve the matter within thirty (30) days of the date of such Written Notice (the "Negotiation Period"), unless the Parties mutually agree in writing to extend the Negotiation Period for a specified additional time. If the Parties are unable to fully resolve the dispute within the Negotiation Period, or such extended period as mutually agreed, then the matter shall be resolved by binding arbitration under the Commercial Arbitration Rules of the American Arbitration Association upon the demand of either Party, which demand may be made at any time after the expiration of the Negotiation Period. Arbitration proceedings shall be conducted by a sole arbitrator, who must be an attorney with at least ten (10) years of experience in the litigation of contract claims. Arbitration proceedings shall be conducted in Delaware. Arbitration proceedings shall be conducted in English, however if Seller requests and the arbitrator determines that all or any portion of the arbitration proceedings will be conducted in a foreign language, Seller agrees to be solely responsible for all costs of translation to English. Judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction thereof, or in accordance with International Arbitration Rules if applicable.

b. As used in this Article, the term "dispute" shall mean any controversy or claim arising out of or related to this AGREEMENT, or the breach thereof, except for Buyer's unilateral contractual rights including, but not limited to, those set out in Article 6 and Article 14.

c. Without waiver of Article 17(a), either Party may seek preliminary equitable or injunctive relief in any court of competent jurisdiction pending the decision of the arbitrator. The Parties further agree that irreparable damage may occur for which monetary damages, even if available, would not be an adequate remedy, if any of the provisions of this AGREEMENT were not performed in accordance with the specific terms hereof or were otherwise breached. Accordingly, either Party is entitled to an injunction or injunctions to prevent breaches or threatened breaches of this AGREEMENT or to enforce specifically the performance of the terms and provisions hereof, in addition to any other remedy to which it is entitled at law or in equity irrespective of any contractual or statutory limitations which may apply to such damages. The right of specific performance is an integral and material part of the AGREEMENT and without that right, neither Party would have entered into this AGREEMENT.

d. Seller to Continue Performance. Except in an instance where Buyer terminates the AGREEMENT under Article 14, Seller shall proceed diligently with performance of the Purchase Order pending final resolution of any request for relief, claim, dispute, appeal or action arising under or in connection with this AGREEMENT and pending such resolution shall comply with Buyer's written direction, if any, on the matters at issue.

e. In no event shall Seller acquire any direct claim, or direct course of action against the United States Government except as approved in writing by Buyer pursuant to this clause or as otherwise authorized by law.

18. SURVIVORSHIP. On termination of this AGREEMENT for any reason, all warranty, infringement, confidentiality, dispute, indemnification, and liability obligations and limitations, and those terms, which by their nature are intended to survive, will survive. Termination will not prejudice either Party to require performance of any obligation due at the time of termination.

d. All works of authorship, including documents, drawings, software, software documentation, photographs, video tapes, sound recordings, and images, created by or for Seller, either alone or with others, in the course of or as a result of any work performed by or for Seller under this AGREEMENT, together with all copyrights subsisting therein, shall be the sole property of Buyer. To the extent permitted under United States copyright law, all such works shall be "works made for hire," with the copyrights therein vesting in Buyer. In the event that any said work or portion thereof shall not be legally qualified as a "works made for hire," or shall subsequently be so held to not be a "works made for hire," Seller agrees to assign, and does hereby so assign to Buyer, all right, title, and interest in and to said work or portion thereof, including but not limited to the worldwide copyrights, extensions of such copyrights, and renewal copyrights therein, and further including all rights to reproduce the work in any

media, to prepare derivative works based on the work, to distribute copies of the work in any media, to perform and or display the work publicly, and to register the claim of copyright therein. The copyrights of all other such works, including all of the exclusive rights therein, shall be promptly transferred and formally assigned free of charge to Buyer. Buyer shall have the right, at no additional charge, to use and/or reproduce Seller's and/or its subcontractor(s)/supplier(s)' applicable literature, such as operating and maintenance manuals, technical publications, prints, drawings, training manuals, and other similar supporting documentation and sales literature.

e. Buyer shall have an unlimited, worldwide, irrevocable, perpetual royalty-free right and license to make, have made, sell, offer for sale, import, use, execute, reproduce, display, perform, or distribute (internally or externally) copies of, and prepare derivatives of, and authorize others to do any, some or all of the foregoing, any and all technical work product, and works of authorship, conceived, developed, generated, or delivered in performance of or in connection with this AGREEMENT ("AGREEMENT Work Product").

f. If any pre-existing intellectual property of Seller is included or incorporated in any AGREEMENT Work Product, Seller grants to Buyer an irrevocable, nonexclusive, world-wide, perpetual, royalty-free license to: (i) make, have made, sell, offer for sale, use, execute, reproduce, display, perform, distribute (internally or externally) copies of, and prepare derivative works based upon, such pre-existing materials and derivative works thereof; and (ii) authorize others to do any, some or all of the foregoing.

g. Buyer shall have a royalty-free, worldwide, irrevocable, nonexclusive license to use and license others to use Seller's software, patents, designs, processes, know-how, drawings, and technical data relating to the work performed under this AGREEMENT solely for purposes of producing and selling the Products required to be supplied by Buyer's existing or follow-on orders with its customers if (i) at any time during the performance of this AGREEMENT, Seller suspends business operations or becomes bankrupt or insolvent; or (ii) at any time within five (5) years from the end date of this AGREEMENT, Seller, for any reason, discontinues acceptance of follow-on orders for work ordered hereunder.

h. In the event of any inconsistency between this Article and any U.S. Government clause incorporated by reference into this AGREEMENT, the incorporated U.S. Government clause shall govern.

i. Buyer and/or its customers shall at all times have title to: (i) all drawings and specifications furnished by Buyer to Seller, and (ii) all documents (including all drawings and specifications) and work product, in any form, generated by, for or on behalf of Seller in connection with this AGREEMENT. Seller shall, upon Buyer's request or upon completion of this AGREEMENT, promptly return or deliver all documents and work product, including all copies, to Buyer.

j. Seller hereby assigns to Buyer all rights, title and interest in computer software, including computer programs, databases and documentation thereof (individually and collectively, "Software"), developed in the performance of this AGREEMENT, including the right to apply for and register copyrights and patents in the U.S. and any other country, the right to all extensions and renewals thereof, unrestricted and complete rights of publication or reproduction, the right to use and license others to use said Software, and the right to exclude others from reproducing the Software. Seller shall obtain from its subcontractors/suppliers all rights necessary to fulfill Seller's obligation to Buyer under this Purchase Order. Seller agrees to execute any and all documents Buyer may require to perfect the above assignment. Buyer shall have an unlimited, irrevocable, paid-up, perpetual, royalty-free right and license to make, have made, sell, offer for sale, import, use, execute, reproduce, display, perform, distribute (internally or externally) copies of, and prepare derivatives of, and authorize others to do any, some or all of the foregoing, any and all Software conceived, developed, generated, or delivered in performance of or in connection with this AGREEMENT.

k. Seller represents and warrants that any software delivered hereunder will be in a form suitable for reproduction by Buyer and will include the full source code language statement, for example, used by Seller sufficient to allow maintenance and modification by Buyer, including Buyer's third-party agents. For clarity, Buyer has an unlimited right to copy, amend, modify, etc. any software provided hereunder by Seller for use by Buyer, its affiliates, subcontractors, and third-party agents in Buyer's or its affiliates' businesses. Such right includes the right for Buyer and its affiliates, including their respective employees, subcontractors, and third-party agents, to copy, amend, modify, etc. the source code of the software for the purposes of maintaining and enhancing or supplementing the software for or on behalf of Buyer or its affiliates.

l. Data Breach Notification. In the event that Seller discovers or reasonably suspects any unauthorized access to, acquisition of, use of, disclosure of, modification of, or destruction of any Buyer confidential and/or proprietary information, AGREEMENT Work Product, or any other data or systems of Seller used in connection with the performance of this AGREEMENT (a "Security Incident"), Seller shall notify Buyer in writing within seventy-two (72) hours of Seller's discovery or reasonable suspicion of such Security Incident, unless a shorter period is required pursuant to a U.S. Government FAR or DFARS flow down requirement. Such notification shall include, to the extent then known: (i) a description of the nature of the Security Incident, including the categories and approximate volume of data affected; (ii) the likely cause and scope of the Security Incident; (iii) the measures taken or proposed to be taken by Seller to address and mitigate the Security Incident; and (iv) the name and contact information of a designated point of contact at Seller responsible for managing the Security Incident. Seller shall provide Buyer with prompt updates as additional information becomes available and shall cooperate fully with Buyer in any investigation, remediation, or notification obligations arising from such Security Incident. Seller's obligation to notify Buyer under this Article shall not be delayed on account of any ongoing investigation by Seller or any third party. Seller shall bear all reasonable costs associated

with investigation, remediation, and notification arising from any Security Incident caused by or attributable to Seller's acts or omissions.

21. FORCE MAJEURE. No liability shall result to either Party from delay in performance caused by an Act of God, or event beyond the control of a Party, including an act or omission of government, act or omission of civil or military authority, act of a public enemy, war, blockade, insurrection, riot, epidemic, pandemic, quarantine restrictions, declarations of public health emergencies, landslide, earthquake, fire, storm, lightning, flood, washout, or civil disturbance, which could not have been avoided through the exercise of reasonable care, procedure, and diligence. In the event that performance of this AGREEMENT is hindered, delayed, threatened to be delayed, or adversely affected by causes of the type described above, then the Party whose performance is so affected shall immediately notify the other Party's authorized representative in writing, including all relevant information with respect thereof, and shall likewise notify promptly of any subsequent change in the circumstances, and at Buyer's sole option, this AGREEMENT shall be completed with such adjustments to delivery schedule as are reasonably required by the existence of such cause, or this AGREEMENT may be terminated for convenience by Buyer.

22. PROHIBITION OF GRATUITIES.

- a. Seller represents and warrants it and its officers, employees, agents and representatives have not offered or given, and agrees it and its officers, employees, agents, and representatives will not offer or give, any kickbacks or gratuities in the form of entertainment, gifts, or otherwise to any officer or employee of Buyer or Buyer's customer with a view toward securing this or any other Purchase Order, any favorable treatment with respect to the awarding or amending of this or any other Purchase Order, or the making of any determination with respect to Seller's right or duties.
- b. For any breach of Seller's obligations under this clause, Buyer shall have, in addition to any other rights provided by this AGREEMENT, the right to terminate any or all AGREEMENTS with Seller for cause, and to recover from Seller the amount of any gratuity, plus all reasonable costs (including attorney fees) incurred in seeking such recovery.

23. INSPECTION AND ACCEPTANCE; NONCONFORMING PRODUCTS.

- a. All Products, including raw materials, components, intermediate assemblies, tools, equipment, and end Products, may be inspected and tested by Buyer, its customers and higher tier contractors at all reasonable times and places. If the AGREEMENT specifies any inspection or testing is to be made on Seller's premises, Seller shall provide without additional charge, all reasonable access, facilities and assistance for such inspections and test. In its internal inspection and testing of the Products, Seller shall provide and maintain an inspection system acceptable to Buyer and Buyer's customers covering the product hereunder. All inspection records relating to the Products shall be available to Buyer and Buyer's customer during the performance of this AGREEMENT. Unless specified elsewhere, Seller shall maintain, for a period of seven (7) years after the completion of the last delivery or acceptance of the last lot whichever is longer, quality and inspection records, purchase order files for supplies, equipment, material, or services including supporting documentation, invoices, and supporting memoranda.
- b. Final inspection and acceptance by Buyer shall be at destination unless otherwise specified in this AGREEMENT. Such inspection shall be in accordance with the stated requirements of this AGREEMENT. If rejection of a shipment would result from Buyer's normal inspection level under such procedures, Buyer may, at its option, conduct an above-normal level of inspection and charge Seller the reasonable costs thereof. If a lot is rejected, Buyer may screen, rework, repair, and/or test that lot at Seller's expense.
- c. Notwithstanding any prior acceptance, no inspection (including source inspection), tests, approval (including design approval) or acceptance of the Products shall relieve Seller from responsibility for any defects in the Products or other failures to meet the requirements of this AGREEMENT, or for latent defects, fraud, such gross mistakes as amount to fraud, Seller's warranty obligations, or in Buyer's judgment, defectiveness in material or workmanship or other failure to meet the drawings, designs, statement of work, specifications, or other technical documents, or other requirements of the AGREEMENT. Buyer's failure to inspect, accept or reject Products, or failure to detect any nonconformity by inspection shall not relieve Seller from its obligations or any liability, nor impose liabilities on Buyer, its agents or customers.
- d. If Buyer determines at its sole discretion that any of the Products are nonconforming or otherwise do not meet the requirements of this AGREEMENT, Buyer, at its option and at Seller's expense, may, without limiting any other remedies available to Buyer, require Seller to: (i) rescind this AGREEMENT as to such Products; (ii) reject such Products and require the delivery of replacements; (iii) retain and correct, any Products that do not conform to the requirements of this AGREEMENT, even if Buyer does not discover the nonconformity until after Buyer uses such Products or manufactures products made with such Products; (iv) reject all Products and have them shipped back to Seller at Seller's expense and any re-performance of defective or nonconforming Services shall be at no cost to Buyer; (v) have a third party make or perform, all repairs, modifications, or replacements necessary to enable such Product to comply in all respects with the AGREEMENT requirements and charge the expense incurred to Seller; and/or (vi) terminate this AGREEMENT for default in whole or in part. Deliveries of replacements shall be accompanied by a written notice specifying that such Products are replacements. If Seller fails to deliver

required replacements promptly, Buyer may terminate this AGREEMENT for cause as provided in Article 14 hereof. Buyer's right to reject nonconforming deliveries extends to those which arrive late, in the incorrect quantity, or improperly labeled. Buyer may charge Seller for expenses of inspection for Products which do not conform to the AGREEMENT. The risk of loss of nonconforming Products remains with Seller.

e. Buyer's Remedies. Buyer's remedies are cumulative and in addition to all remedies set forth herein or otherwise legally available. Buyer may exercise its remedies either individually or cumulatively. Buyer's remedies shall include, but not be limited to, incidental and consequential damages and the cost of any recall campaigns or other corrective actions. Buyer's selection of any particular remedy, or its forbearance in exercising any remedy available to it, shall not constitute an election or waiver of any other remedy.

f. Buyer reserves the right to assign representatives on an itinerant or resident basis at Seller's facilities or those of lower-tier subcontractors for the purpose of maintaining surveillance activities, including the right to witness any or all tests performed as part of the requirements of this Order. Seller shall provide Buyer's representatives with reasonable facilities and equipment, and unescorted free access to all areas essential to the proper conduct of the aforementioned activity throughout all phases of engineering, manufacturing, testing, packaging, and shipping. In addition, Seller agrees to make available to Buyer's representatives pertinent planning, status, and forecast information and such other technical and management reporting as may be necessary for Buyer's representatives to carry out their responsibilities.

24. CHANGE IN OWNERSHIP OR CIRCUMSTANCE.

a. As used herein, a "Change in Ownership" shall occur if: (i) a person or group of persons acting in concert directly or indirectly acquire more than fifty percent (50%) of Seller's or Seller's parent's voting power subsequent to the date that the Parties enter into this AGREEMENT; (ii) Seller or Seller's parent sells, leases, transfers or otherwise disposes of substantially all of Seller's or Seller's parent's assets, or of the assets relating to the Product Seller produces for Buyer under this AGREEMENT; (iii) Seller or Seller's parent becomes involved in a merger, reorganization, consolidation, share exchange, re-capitalization, business combination, liquidation or dissolution or similar transaction; or (iv) Seller or Seller's parents become the subject of a tender or exchange offer for any of the outstanding shares of its capital stock. Seller shall provide notice to Buyer of any pending or possible Change in Ownership, as soon as Seller becomes aware of the events giving rise to the Change in Ownership. Upon receipt of such notice, or upon Buyer's independent knowledge of a pending or possible Change in Ownership, Buyer may immediately demand, by written notice to Seller, that Seller provide adequate assurance of continued performance under this AGREEMENT. Seller shall provide such adequate assurance, in a form reasonably satisfactory to Buyer, within ten (10) business days of receipt of Buyer's written demand. Adequate assurance may include, without limitation, a written commitment from the proposed acquirer or successor entity confirming its intent to assume and honor all of Seller's obligations under this AGREEMENT, evidence of sufficient financial resources to complete performance, or such other assurances as Buyer may reasonably require. Seller's failure to provide adequate assurance within the specified timeframe shall be deemed a material breach of this AGREEMENT and shall entitle Buyer to terminate this AGREEMENT for cause pursuant to Article 14, at no cost or liability to Buyer. If Seller is or becomes the subject of a Change in Ownership, Buyer may at its discretion terminate this AGREEMENT or a Purchase Order for default, at no cost to Buyer, and notwithstanding any termination, Seller shall take all measures reasonably necessary to protect Buyer's Property and any proprietary information. Pending termination or in lieu of termination, Buyer may require that Seller provide adequate assurance of performance.

b. By accepting this AGREEMENT, Seller certifies that all Seller qualification and business information, representations and certifications applicable to this AGREEMENT remain valid. Seller agrees to provide prompt notification to the Supply Chain Representative of any event or change in circumstances that could affect Seller's performance under this AGREEMENT such as ineligibility to contract with the United States Government, debarment, assignment of consent agreement, designation under U.S. or foreign sanctions laws and regulations, expiration or cancellation of ITAR registration, potential violation of Export and Sanctions Laws and Regulations (or authorizations issued thereunder), initiation or existence of a United States Government investigation, change in place of performance, decrease in manufacturing capacity, diminishing manufacturing sources or material shortages, increase in production requirements, labor reductions, financial or organizational conflicts of interest, and significant financial conditions requiring any of the preceding changes.

25. DEFAULT ORDER OF PRECEDENCE. Any inconsistency in this AGREEMENT shall be resolved by giving precedence in the following order: (i) a separate contract mutually executed between the Parties concerning the scope of this AGREEMENT; (ii) a mutually executed Purchase Order provided by Buyer with mutually agreed upon terms and conditions, but excluding any terms and conditions incorporated by reference by Seller unless each term and condition is expressly added to the Purchase Order; (iii) these Standard General Terms and Conditions for Goods & Services; (iv) a statement of work attached hereto; (v) any other attachments, exhibits, or annexes to this AGREEMENT (including without limitation any Construction Services Addendum), if any. This order of precedence is to be followed except where a different order of precedence is explicitly called for in either a statement of work or a Purchase Order provided by Buyer that modifies order of precedence, which only applies to those explicit

terms. If this AGREEMENT also concerns or references a U.S. Government contract and the AGREEMENT or Purchase Order incorporates by reference, (1) portions of the U.S. Government contract attached to the Purchase Order, and/or (2) Buyer's Additional Standard Terms and Conditions, Special U.S. Government Provisions, Seller agrees to comply with such U.S. Government contract requirements while also complying, to the extent permitted by law or regulation, with the above-noted order of precedence. Notwithstanding any other language in the AGREEMENT, Article 25 of this AGREEMENT shall control whether or not FAR 52.215-8, or any other governmental regulatory clause purporting to establish an order of precedence, is incorporated into the AGREEMENT.

26. IMPORT AND EXPORT COMPLIANCE.

a. Seller shall comply with all Laws, ordinances, rules, and regulations governing the import and export of Seller's Product provided under this AGREEMENT and any components and raw materials used in the manufacture of the Products. This includes, but is not limited to, the International Traffic-in-Arms Regulations ("ITAR"), 27 CFR 55, and the Foreign Corrupt Practices Act, with respect to the Products furnished hereunder. Seller certifies it has not and will not pay, offer or agree to pay, for the purpose of soliciting, promoting, or otherwise securing the sale of defense Products to or for the use of the armed forces of an international organization or non-U.S. country, any: (i) fees or commissions in excess of \$1,000; or (ii) political contribution (including any gift, rebate, or payment of expenses) to a non-U.S. person or entity. Seller intends to conduct work for Buyer in a foreign country, including but not limited to the use of Seller's own facility outside of the U.S., or the use of a foreign affiliate or unrelated subcontractor, Seller shall provide advance written notification to Buyer. Seller is responsible for obtaining all import and export control licenses required by law, regulation, or as otherwise requested by Buyer. Seller shall not export, directly or indirectly, any hardware, software, technology, information, or technical data disclosed under this AGREEMENT to any individual or country for which the U.S. Government requires an export license or other government approval, without first obtaining such license or approval. Seller further understands that Buyer is a defense contractor providing Products to the United States Government, and as such, is under certain mandatory security obligations regarding access to its facilities and technology. Due to the fact that disclosure of certain information to any individual may be deemed an export, Seller agrees that it will not assign any worker to perform Services under this AGREEMENT (including Seller) unless that person qualifies as: (i) a U.S. citizen (whether born or naturalized); (ii) a U.S. national, including an alien lawfully admitted for permanent resident (e.g., those possessing a "green card"); or, if the Services do not cause Seller to receive or view Controlled Unclassified Information (CUI) or perform work subject to a Federal Explosives License or Permit (FEL/P), then (iii) a protected individual as defined by 8 U.S.C. § 1324b(a)(3) (e.g., foreign persons such as refugees and asylees who are protected persons and considered U.S. persons for export control purposes). Notwithstanding the foregoing, Seller acknowledges and agrees that Buyer is not preventing Seller from otherwise employing or considering for employment any persons consistent with 8 U.S.C. § 1324b. Seller further agrees that, should Buyer determine that the work performed under this Order will enable persons working for Seller (including Seller) to have access to unclassified information that relates to a U.S. Government classified program, or other information regulated by the National Industrial Security Program Operating Manual ("NISPOM"), Seller will not assign any worker to perform Services under this Order (including Seller) unless such persons are citizens of the United States. In addition to the foregoing requirements, Seller will comply with the Immigration Reform and Control Act of 1986 ("IRCA") and in particular, have all of its workers fill out an I-9 form, verifying their authorization to work in the United States. Seller shall flow the substance of this clause in any subcontracts. In recognition of Seller's obligations under the U.S. export control laws, Seller agrees that if Seller at any time becomes aware of any potential violations of the U.S. export laws relating to this AGREEMENT, Seller shall immediately notify Buyer in writing. It shall be the responsibility of Seller to notify and properly mark, including jurisdiction and classification of, all Export Controlled Items provided under this AGREEMENT to Buyer. If any Export Controlled Item is received by Buyer from Seller and is not properly marked, Buyer shall request from Seller, and Seller shall provide Buyer with the proper jurisdiction and classification markings. Seller will defend, indemnify and hold harmless Buyer and Buyer's affiliates, agents, and customers from any loss, damages, or costs arising from or caused in any way from Seller's failure to comply with any law, ordinance, rule, or regulations governing the import or export of the Products provided under this AGREEMENT and any components or raw materials used in the manufacture of the Products.

b. Seller shall immediately notify Buyer in writing if it or any parent, subsidiary, or affiliate: (i) is or becomes listed on any excluded or denied party list of an agency of the U.S. Government or on the consolidated list of asset freeze targets designated by the United Nations, European Union, and United Kingdom; or (ii) if it has had its export privileges denied, suspended, or revoked in whole or in part by any U.S. Government agency.

c. Buyer may be required to obtain information concerning nationality or export status of Seller Engaged Personnel. Seller agrees to provide such information as necessary and certifies the information to be true and correct. Seller shall defend, indemnify, and hold harmless Buyer for all Damages that may be imposed on or incurred by Buyer in connection with Seller's violations of export and import laws and regulations. For the purposes of this Article, "Damages" shall be interpreted broadly to include lawsuits, claims, fines, penalties, offsets, liabilities, judgments, losses, costs, and profit disallowed, or expenses (including reasonable attorneys' fees).

d. In carrying out its responsibilities under this AGREEMENT, Seller will not directly or indirectly authorize, promise, offer or make any political contributions as defined in 22 CFR 130.6 or any fees or commissions as defined in 22 CFR 130.5. This Section applies only if this PO involves Defense Articles or Defense Services.

27. PROHIBITED PRODUCTS AND SERVICES.

a. The U.S. Government prohibits the importation of products or the purchase of services, and certain financial transactions, from certain countries, which list may change from time to time. Seller represents and warrants that it and its officers, employees, agents and representatives have not purchased or otherwise obtained, and agrees that it and its officers, employees, agents and representatives will not purchase or otherwise obtain products or services, either directly or indirectly, from any prohibited country in providing products or services to Buyer under this AGREEMENT. Seller may obtain an updated list of such countries by visiting the U.S. Treasury Department's website at <http://www.treas.gov/ofac/>. Seller agrees that, as a condition of doing business with Buyer, Seller will provide all Products or perform all Services with integrity and within the law.

b. "Prohibited Software" means any software: (i) Seller does not have full rights to either sell to Buyer or license to Buyer as may be specifically provided for in this AGREEMENT; (ii) may cause harm to Buyer such as a virus, worm, malicious logic, trap door, software lock, trojan horse, etc.; (iii) may interfere or disable the delivered software/Work from accomplishing its intended purpose or; (iv) incorporates or embeds software in, or uses software in connection with, as part of, bundled with, or alongside any (A) open source, publicly available, or "free" software, library or documentation; or (B) software that is licensed under a Prohibited License; or (C) software provided under a license that (a) subjects the delivered software to any Prohibited License; or (b) requires the delivered software to be licensed for the purpose of making derivative works or be redistributable at no charge; or (c) obligates Buyer to license, sell, loan, distribute, disclose or otherwise make available or accessible to any third party the delivered software, or any portion thereof, in object code and/or source code formats, or any products or Work incorporating the delivered software, or any portion thereof, in object code and/or source code formats. Seller shall not use Prohibited Software in connection with this PO or deliver Prohibited Software or any Work containing Prohibited Software to Buyer unless Seller has the prior written consent of Buyer.

c. Seller represents and warrants that it does not furnish to Buyer any covered telecommunications equipment or services within the meaning of 48 CFR 52.204-25, or furnish to Buyer any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system within the meaning of 48 CFR 52.204-25, as modified by the interim rule at 85 Fed. Reg. 42665, released July 14, 2020.

d. Seller agrees to defend, indemnify, and hold harmless Buyer, its customers and subcontractors/suppliers from and against any damages relating to the use of Prohibited Software in connection with this PO or delivery of Prohibited Software or Work containing Prohibited Software or any violation of Seller's representations and warranties under Article 27c above. As used herein, "Prohibited License" means the General Public License ("GPL") or Lesser/Library GPL, the Artistic License (e.g., PERL), the Mozilla Public License, the Netscape Public License, the Sun Community Source License, the Sun Industry Standards License, or variations thereof, including licenses referred to as "GPL-Compatible, Free Software License."

28. SEC CONFLICT MINERALS RULE. Seller warrants all Products furnished to Buyer shall be free of any materials deemed to be "conflict minerals" under the SEC's Conflict Minerals Rule, absent prior written approval from Buyer. Upon request by Buyer, Seller agrees to provide within five (5) business days certification in whatever form is requested by Buyer or Buyer's customer that the Products are free from conflict minerals. Seller shall include the substance of this clause in all of its sub-tier contracts with its suppliers providing components in support of this Purchase Order.

29. CONFIDENTIALITY.

a. Seller shall keep confidential and protect from disclosure all information and property obtained from Buyer in connection with this AGREEMENT and identified orally or in writing as confidential or proprietary, or which reasonably would be considered to be confidential or proprietary, as well as all documents and work, including Product generated by Seller under this AGREEMENT. Unless otherwise expressly authorized herein by Buyer, Seller shall use such information and property, and the features thereof, only in the performance of and for the purpose of this AGREEMENT. Seller shall not, at any time during or after performance of this AGREEMENT, disclose to others (except those Seller Engaged Personnel with a need to know) the terms of this AGREEMENT or any other information, knowledge, or data (including business, technical, financial, or information of a proprietary or trade secret nature) that Seller: (i) receives from Buyer; or (ii) conceives, develops or acquires in the performance of this AGREEMENT. Nothing in the foregoing shall affect compliance with U.S. Government requirements. Upon Buyer's request, and in any event upon the completion, termination or cancellation of this AGREEMENT, Seller shall return all such information and property to Buyer or make such other disposition thereof as directed by Buyer. Seller shall not sell or dispose of any scrap or any completed, partially completed, or defective proprietary property before receiving written authorization and disposition instructions from Buyer. Seller shall flow down to its subcontractors/suppliers receiving such information or property these requirements to provide to Buyer the same rights and protection as contained in this clause.

b. Seller shall not, without the prior written consent of Buyer, publicly release any information regarding the subject matter or existence of this AGREEMENT, including advertisements, brochures, news releases (including photographs, films, public announcements, or denial/confirmation of the same, or interviews with news media) and the like. Seller shall not use or allow to be used, Buyer's name, logo, trademarks, or likeness without the prior written approval of Buyer. Seller shall include the substance of this Article, including this sentence, in all of its subcontracts.

c. Without limiting Seller's other obligations under this AGREEMENT, with respect to any confidential or proprietary information received from Buyer, or any derivative portion thereof, Seller agrees that it shall not, nor will it allow any Seller Engaged Personnel or Seller's subcontractors/suppliers to, process, disclose, or otherwise provide such information to any machine learning or artificial intelligence ("AI") models, unless Seller receives prior express, written permission from Buyer's Supply Chain Representative.

d. If Seller is required to disclose any confidential information obtained from Buyer in connection with this AGREEMENT by federal, state, or local statutes, or by the order of a court of competent jurisdiction, Seller shall provide Buyer with notice as soon as may be practicable so that Buyer may have opportunity to contest such potential use or disclosure.

30. HAZARDOUS MATERIAL. Prior to shipment of any hazardous material or chemical (as determined by OSHA regulation at 29 CFR § 1910.1200[d], Federal Standard No. 313, or the Hazardous Materials table under 49 CFR 172.101) onto Buyer property or work sites, Seller shall provide to Buyer one copy of OSHA Form 20 or 174, Safety Data Sheet or equivalent, for each such material or chemical. In addition to application of proper shipping labels on the outside container, each container of hazardous items shall be marked with the appropriate precautionary label according to the Code of Federal Regulations. Any failure to comply with the above submission requirement shall be grounds for withholding payments due Seller hereunder.

31. BUYER AND U.S. GOVERNMENT PROPERTY.

a. Buyer may provide or make available to Seller certain real or personal property or material owned by either Buyer or its customer, including tooling and raw material inventories ("Buyer Property"). Buyer Property also includes items Buyer or its customer may take title to in accordance with the terms of this AGREEMENT. Buyer Property shall be used only for the performance of this AGREEMENT. Buyer shall at all times retain title to Buyer Property, which title shall not be affected by the incorporation or attachment thereof to any other property; nor shall such Buyer Property or any other part thereof be or become a fixture or lose its identity as Buyer Property by reason or affixation to any realty. Seller shall manage, maintain, and preserve Buyer Property in accordance with good commercial practice.

b. Seller shall dispose of Buyer Property (including scrap) only in accordance with Buyer's direction. Seller's property records for equipment shall include a complete, current, auditable record of all Buyer Property transactions and shall include ownership, description (including identification and serial numbers), quantity, unit cost, accountable contract number/code, location, disposition, inventory date, and traceability to shipping, receiving, storage, and utilization documents. Such records shall be available for Buyer review. Seller shall provide to Buyer an equipment inventory listing on an annual basis by 15 November. Seller shall clearly mark (if not so marked) all Buyer Property (wherever practical each individual item thereof) to show its ownership as "Property of [Insert Seller's Full Name here]" or as otherwise directed for property of Buyer's customer. Seller shall not substitute any property for Buyer Property.

c. Unless otherwise provided on the face of this AGREEMENT, all Buyer Property shall be provided "AS IS" and without warranty. Buyer shall have access at all reasonable times to the premises on which Buyer Property is located for the purpose of inspecting or retrieving Buyer Property when deemed necessary by Buyer. Buyer Property, while in Seller's custody or control, shall be held at Seller's risk and Seller shall be responsible for any loss, damage, or destruction thereof except for reasonable wear and tear, and except to the extent that such property is reasonably consumed in the performance of this AGREEMENT. Seller shall immediately notify Buyer if Buyer Property is lost, damaged, or destroyed. At the completion or termination of this Order, or when instructed by Buyer, Seller shall deliver Buyer Property to Buyer, F.O.B. Seller's address.

If Seller acquires Government Property from a source other than Buyer, Seller promptly shall furnish to Buyer copies of purchase orders, work orders, receiving reports or other pertinent data reasonably needed to facilitate Buyer's addition of these items to its own Government Property records. If Seller has a U.S. Government-approved Property Control System ("System"), Seller shall keep Buyer informed of the Government approval status of that System. In the event the U.S. Government determines Seller's System to be "unsatisfactory," or that three or more separate categories of the System are "unsatisfactory," Seller shall notify Buyer immediately and provide a copy of the U.S. Government's findings and Seller's corrective action plan.

32. MISCELLANEOUS.

- a. The headings of the Articles herein are used for convenience and ease of reference only and do not limit the scope or intent of the Article, nor shall any priority be implied by the order in which they appear in this AGREEMENT.
- b. In the event any clause not already incorporated herein is required to be included in this AGREEMENT by applicable Law, a prime contract, or higher-tier subcontract, or in the event Buyer's prime contract or higher-tier subcontract is modified subsequent to the date Buyer issues this AGREEMENT so as to modify or add any additional such clause or requirement, Seller agrees to enter into a modification of this AGREEMENT to insert any such clause or requirements.
