

ADDITIONAL STANDARD TERMS AND CONDITIONS FOR PURCHASE ORDERS

SPECIAL U.S. GOVERNMENT PROVISIONS. The provisions set forth hereunder shall apply in addition to those terms in the Purchase Order/Agreement (hereinafter the “AGREEMENT”) or attached/referenced in the AGREEMENT and incorporated by reference. Seller hereby agrees to flow down the applicable FAR, DFARS, or other agency clauses to its lower-tier subcontractors as required.

1. **Audits.** Seller agrees that its books and records and its plans or any such part thereof as may be engaged in the performance of this AGREEMENT, shall at all reasonable times be subject to inspection and audit by any person designated by the head of any executive department of the U. S. Government or any representative of Buyer.
2. **Quality Control.** Except as otherwise provided in this AGREEMENT, Seller’s system of Quality Control during the performance of this AGREEMENT shall be in accordance with the specifications as are required by Buyer’s prime contract or higher tier AGREEMENT.
3. **Modification.** Seller agrees it will negotiate AGREEMENT modification(s) in good faith to incorporate additions, deletions, and changes to the clauses set forth below if Buyer deems them necessary to comply with Buyer’s Contract or modifications to Buyer’s Contract. If any such modification to this Purchase Order causes an increase or decrease in the cost, or the time required for the performance, of any part of the work under this AGREEMENT, an equitable adjustment shall be made pursuant to the “Changes” clause of this Purchase Order. Seller shall proceed immediately to perform this AGREEMENT as changed.
4. **Government/Buyers Property.** Seller shall maintain and administer a program for the maintenance, repair, protection, and preservation of Buyer and Government property in accordance with FAR 52.245-1. Seller assumes risk of and shall be responsible for any loss or damage to Government property except for reasonable wear and tear and except to the extent that such property is incorporated in the Goods delivered under this AGREEMENT. The Buyer or Government makes no warranty, express or implied, with respect to the serviceability and or suitability of property of performance of this AGREEMENT. Any repairs, replacements or refurbishments shall be at the Seller’s expense. Upon completion of this Order or at such earlier times as Buyer may request, Seller shall submit, in acceptable form, inventory schedules covering all items of Buyer and Government property pertaining to this AGREEMENT. In addition, upon the request of the Buyer, the Seller may be required to furnish a list of all Buyer and Government property required to support any follow-on requirement. This list shall be in an acceptable format and identify the category, quantity and acquisition cost. To the extent that such use will not interfere with Seller's performance of this or other AGREEMENTS from Buyers, this clause shall not limit the use by the Seller of property to which the Government has title in the production of end items on direct Government Order; however, nothing herein will be deemed to contravene the rights of the Government under FAR 52.245-1.
5. **Clauses.** The following clauses of the FAR, DFARS, or other agency clauses are incorporated herein by reference, as applicable, and made part hereof with the same force and effect as if they were given in full text, including any notes following the clause citations, to this AGREEMENT. The clauses in effect in the Buyer’s Contract on the date of this Purchase Order are incorporated by reference and any changes, if necessary, to each such clause, including dates, shall be made to be consistent to the requirements of Buyer's customer. Upon Seller's written request, Buyer's Purchasing Representative will make their full text available. Also, the full text of a FAR, DFARS, or agency clause may be accessed electronically at this addresses: <https://www.acquisition.gov> or <https://www.acq.osd.mil/dpap/dars/index.html>. In all clauses listed herein, terms shall be revised to suitably identify the party to establish Seller’s obligations to Buyer and to the Government; and to enable Buyer to meet its obligations under its prime contract. Whenever said clauses include a requirement for the resolution of disputes

between the Parties in accordance with the FAR “Disputes” clause, the dispute shall instead be disposed of in accordance with the clause entitled “Disputes/Claims” in the Standard General Terms and Conditions for Goods & Services. Without limiting the generality of the foregoing, and except where further clarified or modified below, the term “Government” and equivalent phrases shall mean “Buyer”, the term “Contracting Officer” shall mean “Buyer’s Purchasing Representative”, the term “Contractor” or “Offeror” shall mean “Seller”, “Subcontractor” shall mean “Seller’s Subcontractor” under this AGREEMENT, and the term “Contract” shall mean this “AGREEMENT”. For the avoidance of doubt, the words “Government” and “Contracting Officer” do not change: (1) when a right, act, authorization or obligation can be granted or performed only by the Government or the prime contract Contracting Officer or duly authorized representative, such as in FAR 52.227-1 and FAR 52.227-2 and (2) when title to property is to be transferred directly to the Government. Nothing in this AGREEMENT grants Seller a direct right of action against the Government. If any of the following FAR, DFARS, or agency clauses do not apply to this AGREEMENT, such clauses are considered to be self-deleting. The column appearing in Table One and Two below titled “Conditions” identifies the triggering requirements that make each Clause applicable to the AGREEMENT. Buyer’s notations in this Column are provided for reference only and shall not serve to render an applicable Clause inapplicable where the terms of the Clause differ from Buyer’s notation. Seller is responsible for confirming the applicability of each Clause while performing this AGREEMENT. Seller shall incorporate into each lower tier contract issued in support of this AGREEMENT all applicable FAR, DFARS, or agency clauses in accordance with the flow down requirements specified in such clauses, either verbatim, or in substance and by incorporation-by-reference or otherwise as appropriate.

6. FAR and DFARS Representations and Certifications. Buyer and Seller acknowledge that certain FAR and DFARS below concern representations and certifications by the offeror only to the United States Government for the solicitation or response to the RFP. Seller agrees to comply with such requirements as if it was the prime contractor and will reasonably assist Buyer in confirming or answering such FAR and DFARS representations and certifications, including any follow-on questions by the United States Government or its respective agencies or departments. Seller acknowledges it has had the opportunity to inquire as to the clauses present in Buyer’s contract and agrees to be bound to such clauses in the manner listed below.

7. Commercial Items/ Non-Commercial Items. If Seller is providing Buyer with Products that Seller determines are Commercial Items or COTS (Commercial Item Off the Shelf) as those terms are defined within FAR 2.101, then Seller shall adhere to all applicable FAR and DFARS clauses that appear in Table One below. If Seller is providing Buyer with Products that Seller determines are Non-Commercial Items, as that term is defined within FAR 2.101, the Seller shall adhere to all applicable FAR and DFARS clauses that appear in Table Two below. Where Seller is providing Buyer with Products that are a mix of Commercial Items and/or COTS, and Non-Commercial Items Seller shall adhere to all applicable FAR and DFARS clauses that appear in Table Two below. Clauses appearing below Table One and Table Two, written in full text, shall be applicable unless otherwise stated within each such clause.
